

Powerful Cells to Power Your Needs

CATL's unique leading technology enables "0" capacity fading to the system in the first year and 25-year long service life

Cell

Cell Type	26Ah	100Ah			228Ah	280Ah	302Ah
Dimensions	Φ47*152mm	123*23*360mm	200*33*172mm	160*50*119mm	174*54*207mm	174*71*207mm	174*71*207mm
