## Straw Lid

## Tote Lid

\*DAIAN original design patent

Freely drink on the go with this new designed "Tote lid"

The double-layered lid provides convenient, controlled flow, and the wide-mouth lid easily fits ice cubes to keep drink cool.

使用这款全新设计的防漏两用手提盖，随时随地轻松畅饮。

双层盖子提供方便、可控的流量，广口盖可轻松放入冰块以保持冰爽口感。

30

两种搭配方式

Two matching ways

Angled drainage design: after the upper lid open, the liquid will flow back into the bottle because of the the angled design so that the downer lid will keep clean with no liquid stored on it.

倾斜排液设计：上盖打开后，下盖因倾斜设计而保持清洁，液体流回杯内，不残留在盖面。

Three plastic tumblers are arranged on a light orange, semi-circular tray. The tumbler on the left is tall and slender with a green lid and straw. The middle tumbler is shorter and wider with a clear dome lid and straw. The tumbler on the right is tall and slender with a clear lid and straw. A single green leaf rests on the tray to the right of the middle tumbler. The background is a plain, light gray.
