## ENTERPRISE PROFILE

Zhangjiagang ROMAN Machine Co., Ltd. is a professional manufacturer of beverage machinery in China. It is located in Zhangjiagang City very closed to Shanghai with beautiful scenery and convenient transportation.

With scientific progressive conception of rapid introduction, we make our machinery cover all over the overseas market. We have been producing our goods with mature technique and first-class quality. Our products are not only marketed inland, but also exported to dozens of foreign countries.

Our main products have: Water filling production line, water treatment system, juice filling production line, carbonated drinks production line, and also 5Gallon bottle filling production line, and all other auxiliary equipments. Every year we attend the exhibitions, like Canton fair, PROPAK, and other exhibitions in Dubai, Kenya, Saudi Arabia and Algeria and etc., that time we always visit some local old customers and we are sure that we can offer more and better services than other supplier.

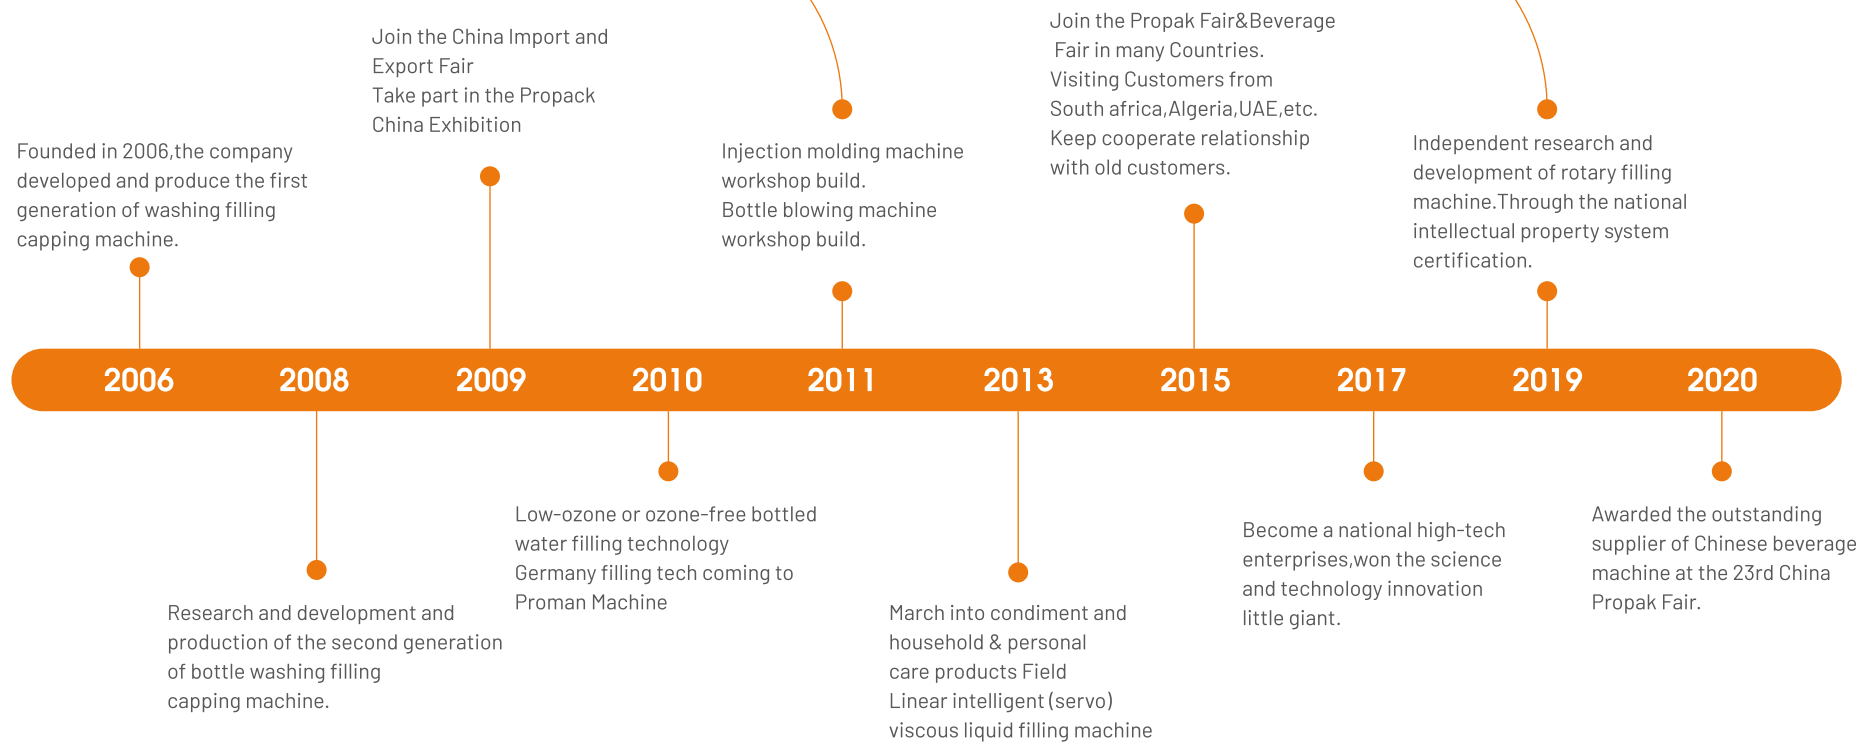

We warmly welcome customers all over the world visit our factory!
