*DO IT AS FAR AS POSSIBLE*

# Who We Are?

**Dofa**'s headquarters and manufacturing plant is located in Wuxi, a city adjacent to Shanghai. Wuxi is China's largest manufacturing city for electric vehicles and motors, which own 8000 related factories and enterprises. The location and industry advantages of our plant in Wuxi allows us to integrate some of the most innovative production line advantages to our partners.

We has already help our dealers grow their business in Europe, North America, Asian and South America. We already built a show room in Dusseldorf, Germany and an assembly plant in Szczecin, Poland to help our clients achieve true european manufacturing!
